This past Sunday the Second Annual 50-Mile Poker Run And Car Show To Benefit Suffolk County United Veterans took place at the Red River Inn in Yaphank. Hundreds attended this fundraiser for homeless veterans. The event is presented by the Long Island chapter of the U.S. Military Veterans Motorcycle Club, a 25-year-old national organization with nearly 100 local chapters. Major sponsors of the event are Nixon Peabody, LLP and the Rotary Club of the Ronkonkoma's. Awards were given to the Best Played Poker Hand and Best Car in Show. Prizes from local business were also raffled off. Food and live music made it a great event for a great cause.
